**REQUEST FOR RECONSIDERATION**

Assistant Commissioner for Patents  
Washington D.C. 20231

Sir:

In response to the Office Action dated May 19, 2005, Applicants request for reconsideration in the above identified application.

**RESTRICTION REQUIREMENT**

The Examiner deemed that the restriction requirement was deemed proper and made FINAL. Applicants intend to file a Petition regarding the restriction requirement before filing a Notice of Appeal or before allowance of the patent application. Therefore, Applicants did not cancel the claims withdrawn from consideration.

Applicants continue to argue that Group I requires the combination with Group II as discussed in the Applicants' specification. It is submitted that these groups are related as combination/subcombination. The requisite distinctness to support the restriction requirement has not been shown because the combination as claimed requires the
